On behalf of Tulsa Community College, we would like to welcome all new and returning students, faculty, staff, and visitors. I am pleased to present the 2024 Annual Security Report, which is compiled in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998. It is one aspect of our overall mission to create a safe and vibrant environment for our campus community. The men and women of the Tulsa Community College Police Department (TCCPD) are highly trained and skilled professionals who place the utmost importance on maintaining the safety of our students, faculty, staff, and visitors.

In addition to providing the mandated crime statistics, this report also strives to educate our community members in the various ways that they can collaborate in keeping themselves and our campus safe. While our department places great value in the partnerships it has formed with outside agencies at the local, state, and federal levels, our most important partners are those of you who work and learn in our campus community. The primary focus of our work is education and that includes ensuring that students and employees educate themselves about personal safety and the safety of those around them. I invite you to read this annual report carefully and use the information to assist us in keeping our community safe.

Thank you for your interest,

Sean Weins
Vice President for Administration and Chief Operating Officer
Tulsa Community College

Thank you for taking the time to read this publication. It contains helpful information about safety and security on our campuses. The Tulsa Community College Police Department (TCCPD) is a professional, full-service law enforcement agency with the responsibility to provide police services to all areas of our campus communities. Tulsa Community College Police Department (TCCPD) recently received Law Enforcement Accreditation in the Large Agency category from the Oklahoma Law Enforcement Accreditation Commission (OLEAC).

We are committed to establishing a partnership with the community to address safety concerns, reduce crime and improve quality-of-life issues. This report is part of our ongoing effort to inform you of the safety programs and services available to Tulsa Community College, the steps you can take to maintain a safe and secure campus and the crimes reported to our department. It also serves as the compliance document called for by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act as required by the Higher Education Opportunity Act. We take the commission of crimes against our students, faculty, staff and visitors personally and aggressively investigate reported crimes. We collaborate with other law enforcement agencies as well as surrounding emergency services, and campus groups to reduce crime across all our campuses. We must work to ensure that people and property are secure and that responsible, vigilant and caring individuals are willing to report suspicious and unlawful behavior immediately to the Tulsa Community College Police.

We want to provide you with direct contact and personalized service as we enforce the laws of the land and the College's rules and regulations. As a service organization, the department offers a full range of police resources, including 24-hour dispatching, preventive patrols, criminal investigations and general crime prevention. Overall, the men and women of the Tulsa Community College Police Department believe in proactive law enforcement and prompt, friendly service to you and the college community.

Sincerely,

Melvin Murdock, Chief of Police
Tulsa Community College

POLICING SERVICES

All policy statements contained in this report apply to all campuses. Tulsa Community College Police officers are vested with the authority and responsibility to enforce all applicable federal, state, and local laws as well as TCC policies and procedures. TCCPD officers are empowered by Oklahoma Statute Title 74, Section 360.15, et seq. to provide police and other professional safety services to the College. TCCPD officers are commissioned peace officers, authorized to carry firearms, and certified by the Council of Law Enforcement Education and Training (CLEET). The TCCPD has primary jurisdiction over TCC-owned and operated properties and has the same authority as municipal police officers to use police powers of arrest for criminal offenses. TCC neither owns nor operates residential housing on or off campus, therefore the jurisdictional area of the TCCPD does not include any residential areas. In addition, TCCPD officers receive continuing education and training in the areas of firearms, Taser, first aid/ Tactical Combat Casualty Care, mental health, legal procedures, and much more. TCCPD has an excellent relationship with city, state, and federal law enforcement agencies in its jurisdiction having developed longstanding mutual aid agreements between each other. The department is a member of the International Association Chiefs of Police (IACP) International Association Campus Law Enforcement Administrators (IACLEA), Oklahoma Association of Chiefs of Police, and the National Association of Clery Compliance Office and Professionals (NACCOP).

TCC maintains written MOUs with the City of Tulsa Police Department, City of Sand Springs Police Department, Muscogee (Creek) Nation Lighthorse Police, and Cherokee Nation Marshal Service. These MOUs outline mutual aid and investigative support. Generally, TCCPD leads on-campus incident response and preliminary investigation within its jurisdiction and requests assistance from partner agencies as needed (e.g., specialized resources, laboratory services, or major crimes). Partner agencies retain primary investigative authority for incidents in their jurisdictions and will investigate on-campus when circumstances warrant. TCCPD cooperates fully and provides support, coordination, and information-sharing consistent with applicable laws.

CRIME REPORTING

Crime victims and witnesses to a crime, regardless of the crime, are encouraged to accurately and promptly report incidents to the TCCPD or other appropriate police agency, including when the victim elects to, or is unable to, make such a report. Reports of crime may be made 24/7 to TCCPD at (918) 595-8888 (or x8888 from a campus phone), to 911 for emergencies, or to any designated Campus Security Authority (CSA). Reports made to CSAs are forwarded to TCCPD for assessment of Timely Warnings and inclusion in Clery statistics. Individuals may also submit a voluntary, confidential Clery Act report through the online Clery Reporting Form at <https://www.tulsacc.edu/experience/report-concern>. Each month the number of incidents in each category of crime are counted and reported to the Oklahoma State Bureau of Investigation, which in turn provides the information to the Federal Bureau of Investigation. These statistics (<https://osbi.ok.gov/publications/crime-statistics>) are then published and made available to the public. Each year, the FBI publishes a book of crime statistics called "Crime in the United States," which includes accurate accounting of the criminal incidents which occurred on the TCC campuses.

CAMPUS SECURITY AUTHORITIES

A Campus Security Authority (CSA) includes:

- (i) A campus police department or a campus security department of an institution.

- (iv) An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings. If such an official is a pastoral or professional counselor as defined below, the official is not considered a campus security authority when acting as a pastoral or professional counselor.

Members of the community are encouraged to immediately report crimes or emergencies to the Tulsa Community College Police Department and/or Campus Security Authorities, as outlined below, for purposes of including them in the annual statistical disclosure and assessing them for issuing Timely Warning Notices, when deemed necessary.

As referenced on Page 4 under Crime Reporting, CSAs are responsible for reporting crimes to the TCCPD, including crimes where the victim chooses to remain anonymous. Reports filed with CSAs are counted and disclosed in the Annual Security Report. CSAs are asked to report crimes by using the Clery Act Reporting Form located at <https://www.tulsacc.edu/experience/report-concern>. Any crime report made to a Campus Security Authority can be immediately transmitted to the TCCPD. Victim support services are available, and TCCPD works with the local police to ensure timely notice is provided to students regarding crimes reported to either police or Campus Security Authorities and considered to represent a threat to others.

DAILY CRIME LOG

The crime log for the most recent 60-day period is open to public inspection, free of charge, upon request, during normal business hours. Any portion of the log that is older than 60 days will be available within two (2) business days upon request. To review the crime log, visit any of the following locations:

Metro Campus

909 South Boston Avenue, Tulsa, OK 74119
MC-126

Northeast Campus

3727 East Apache Street, Tulsa, OK 74115
AB-136

Southeast Campus

The College does not publish the name of crime victims or other identifiable information regarding victims in the Daily Crime Log or in the annual crime statistics that are disclosed in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Furthermore, if a Timely Warning Notice is issued based on a report of domestic violence, dating violence, sexual assault or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

REPORTING CRIMES ON A VOLUNTARY, CONFIDENTIAL BASIS

The TCCPD encourages anyone who is the victim or witness of any crime to promptly report the incident to the police. Reports of crime may be made 24/7 to TCCPD at (918) 595-8888 (or x8888 from a campus phone), to 911 for emergencies, or to any designated Campus Security Authority (CSA). TCCPD does not have a voluntary confidential reporting process because police reports are public records under state law, thus TCCPD cannot hold reports of crime in confidence. Reporting to a CSA is not a confidential reporting method under the Clery Act. CSAs are not required to share personally identifying information, but they may and are not prohibited from doing so.

If a victim or witness wishes to report Clery Act crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics, that person may anonymously report it through the following methods:

- 1) Report the crime through the Clery Act Reporting Form located at <https://www.tulsacc.edu/student-resources/report-concern>; or
- 2) Report the crime to the CSAs in the Civil Rights Compliance and Title IX Office: 918-595-7842 or TCCTitleIX@tulsacc.edu

CRIMES DISCLOSED TO A PASTORAL OR MENTAL HEALTH COUNSELOR

To be exempt from disclosing reported offenses to appropriate Tulsa Community College officials, a pastoral or mental health counselor must be acting in their role as a pastoral or professional counselor. When acting in their counselor role, they are encouraged—when appropriate—to inform persons they counsel about options to report crimes on a voluntary, confidential basis. This exemption does not relieve counselors of the duty to exercise reasonable care to protect a foreseeable victim from the danger posed by the person being counseled. When speaking to a victim or witness to a crime, counselors are encouraged to inform the individual to report the crime to the police.

A pastoral counselor is an employee of the institution who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling and is functioning within the scope of that recognition as a pastoral counselor. TCC does not employ pastoral counselors.

A professional counselor is a person whose official responsibility includes providing psychological counseling to members of the institution's community and who is functioning within the scope of his or her license or certification. This definition also applies to professional counselors who are not employees of the institution but are under contract to provide counseling to the institution.

The Tulsa Community College Police Department encourages professional counselors, if and when they deem it appropriate, to inform the persons they are counseling to voluntarily report the incident on a confidential basis for inclusion of the annual disclosure of crime statistics.

REPORTING CRIMES THAT REQUIRE IMMEDIATE RESPONSE

To report crimes or emergencies, a person, victim or witness can dial 911, or call 918-595-8888 (or x-8888 from a campus phone) 24/7. Any reporting method will spur a response of police, fire, ambulance or other first responders. Also, the victim of a crime may request support personnel, such as ministers and rape crisis or domestic violence counselors, during or after reporting the incident.

Additionally, crime victims may be eligible for funds through victims' compensation laws administered by the local district attorney's office.

Prompt reporting of criminal activity to the police enables a quick response, a timely warning, and a safer campus for everyone.

If you are the victim of a crime or a witness to one, you should do the following:

1. Call the police immediately: Dial 911 for emergencies or call 918-595-8888.
2. Obtain a description: Attempt to obtain a description of the offender(s), including gender, age, race, hair, clothing and distinguishing features. Also, attempt to obtain a description and license number of any vehicle(s) involved. Note the direction of travel of any offender(s) or vehicle(s) and report these to the police.
3. Preserve the crime scene: Do not touch any items involved in the incident. Close off the area of the event, and do not allow anyone in the crime area until police arrive.

RESPONSE TO A REPORT

Dispatchers are available at the respective telephone numbers 24/7 to answer your calls. In response to a call, TCCPD will take the required action, either dispatching an officer or asking the victim to report to TCCPD to file an incident report. All reported crimes will be investigated by the College and may become a matter of public record. TCCPD Investigators will investigate a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to the Office of Conduct and Community Standards. If assistance is required from one of the local Police Departments or one of the local Fire Departments, TCCPD will contact the appropriate unit.

PREPARATION OF THE ANNUAL CRIME STATISTICS DISCLOSURE

Tulsa Community College policies and procedures require the publication of annual crime statistics. Included in this report are crimes reported to the TCCPD and other campus officials, including College Counseling Services, Student Conduct Services, and local law enforcement. A member of the Clery Compliance Team will mail a letter to the Jenks Police, Owasso Fire, Tulsa Fire, Sand Springs Fire, Berryhill Fire, Tulsa Tech Security, Tulsa County Sheriff's Office, Tulsa Police, Sand Springs Police, and the Owasso Police Department(s) records division requesting crime stats. Campus crime, arrest and referral statistics include those reported to the Tulsa Community College Police, designated campus security authorities and local law enforcement agencies. When a campus security authority becomes aware of a crime, they are required to complete a report. The report is then submitted to the Tulsa Community College Police, who are responsible for compiling and preparing the statistics.

All the statistics are gathered, compiled, and reported to the College community via this report, which is published by Tulsa Community College Police Department, with input from the Clery Compliance Committee. TCCPD submits the annual crime statistics published in this report to the Department of Education (ED). The statistical information gathered by the Department of Education is available to the public through the ED website.

The crime and arrest statistics reported are those that occurred within the Clery Geography boundaries of campus. Crimes occurring on public property within and immediately adjacent to campus are also reported when available.

NOTICE OF AVAILABILITY OF ANNUAL SECURITY REPORT

TIMELY WARNINGS

TCC issues timely warnings for all Clery Act crimes that occur on Clery Geography that are reported to CSAs or local police agencies and are considered by Tulsa Community College to represent a serious or continuing threat to students and employees.

Timely Warnings are issued by the Chief of Police or designee. Distribution methods may include TCC Alerts (SMS, email, voice), campus email, website postings, and other channels reasonably likely to reach the affected community. Personally identifying information of victims is withheld.

EMERGENCY NOTIFICATIONS

TCC issues emergency notifications to the campus community upon confirmation of a significant emergency or dangerous situation occurring on campus that involves an immediate threat to the health or safety of students or employees.

The TCC PD Chief of Police, or designee, is responsible for confirming significant emergencies or dangerous situations through officer observations, dispatch reports, on-scene supervisor assessment, technology sensors/alarms, and coordination with local public safety partners. When additional verification is needed, the Chief or designee may consult the Director of Emergency Preparedness and external agencies before issuing a notification.. The TCC PD Chief of Police, TCC PD Assistant Chief of Police or their designee, shall use their professional judgement to confirm significant emergencies or dangerous situations.

The TCC PD Chief of Police, or their designee, will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the TCC PD Chief of Police, or their designee, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. The TCC PD Chief of Police, or their designee, shall decide upon the content of emergency notifications and the appropriate community to notify. The TCCPD Chief of Police or designee drafts messages that include the nature of the emergency, location, actionable safety steps, and, when appropriate, follow-up information and an 'all clear.'

TCC PD Dispatch shall serve as the primary department responsible for sending emergency notifications to TCC students and employees. Secondary and Tertiary staff are also identified in the next paragraph. TCC uses a mass notification system called TCC Alerts to send SMS text messages, phone voice messages, and email messages. TCCPD Dispatch initiates TCC Alerts without delay, taking into account community safety and whether issuance would compromise response efforts. Notifications may be targeted to specific campus segments reasonably likely to be impacted.

The Director of Emergency Preparedness (Secondary) and the TCC Marketing and Communications Department's Integrated Communications Manager (Tertiary) have both been trained as back up administrators for the TCC Alerts mass notification system. At the discretion of the TCC PD Chief of Police, or their designee, based upon available resources and the size and scope of an emergent situation on campus, these two back up personnel may be directed to help send emergency notifications.

When appropriate, TCC coordinates with local authorities and uses public-facing channels (website, social media, digital signage) to inform the broader community through:

Building Alarms – Initiated by TCC PD Dispatch and/or Law Enforcement Officers on campus, as well as the autonomous sensor based technology resident within the alarm system

Digital Signage – Initiated by the Director of Emergency Preparedness

TCC Website – Initiated by TCC Marketing Department

TCC Social Media – Initiated by TCC Marketing Department

Rave Guardian – Initiated by TCC PD Dispatch, the Director of Emergency Preparedness, or the TCC Marketing Department

Alertus – Initiated by TCC PD Dispatch, the Director of Emergency Preparedness, or the TCC Marketing Department

TCC may also utilize TCC Alerts and the other methods mentioned above to inform the campus community about events that do not meet the requirements for emergency notifications, such as inclement weather that may not be expected to be a significant emergency or dangerous situation occurring on campus. The Director of Emergency Preparedness shall maintain a detailed notification matrix for various emergency events.

WEATHER-RELATED CLOSING NOTIFICATIONS

In the event of an advance notice weather-related closing notifications such as snow days, or an incident related to campus facilities, such as a power outage or a water line break, the Vice President for Administration and COO, or their designee, will make a determination related to a potential campus closing and need for related notifications. For these types of notifications, the Vice President for Administration and COO, or their designee, will coordinate with the Director of Marketing and Communications, or their designee, and issue an appropriate notification.

EVACUATION PROCEDURES

Some emergency situations require evacuation of campus buildings or property, while others involve sheltering in place. Evacuation procedures may be situation dependent. TESTING EMERGENCY AND EVACUATION PROCEDURES

TCC tests its emergency and evacuation procedures on at least a semi-annual basis. Tests may be announced or unannounced. TCC shall publicize its emergency response and evacuation procedures in conjunction with at least one test per calendar year. After each test/drill, TCC documents and evaluates performance, identifies corrective actions, assigns owners, and tracks completion to improve emergency plans and capabilities. For each test, TCC shall document the description, date, time, and whether it was announced or unannounced. TCC complies with a variety of local and State guidance which governs these procedures. TCC conducts a minimum of three fire drills, per campus, per year, which includes an evacuation component. TCC also conducts at least one tornado drill per campus, per year, which includes movement to safer areas of refuge. You may contact the office of the Director of Emergency Preparedness for additional information related to campus evacuation plans.

TULSA COMMUNITY COLLEGE EMERGENCY OPERATIONS PLAN

TCC maintains an emergency operations plan (EOP) designed to respond to emergencies. The EOP categorizes threats and outlines the appropriate response, including messaging to the campus community. The Director of Emergency Preparedness is responsible for maintaining the EOP and training appropriate school officials on its use.

MEDICAL EMERGENCIES

Steps to take in a medical emergency:

1. Do not move the patient unless their life is in danger.
2. Have someone stay with the patient until help arrives.
3. Call 911. Tell them your name, your exact location and a brief description of the problem. Do not hang up until told to do so.
4. If available have a second person call TCCPD at 918-595-8888.
5. If available have someone meet emergency personnel to guide them to the patient.

CRIME PREVENTION

Crime prevention is defined as the anticipation, recognition, and appraisal of a crime risk, and the initiation of some action to remove or reduce that risk. Many campuses around the country investigate and make public the nature and quantity of crimes, as well as how crimes are investigated. Tulsa Community College believes that the public should know how active the TCCPD are in crime prevention and detection. TCC has experienced success at reducing and preventing crime. Some of the notable efforts are:

- Rave Guardian safety app
- 24-hour preventive patrols, on foot and in vehicles.

Through a cooperative effort between TCCPD, dean of students, facility managers and engineers, and faculty, programs on personal safety and security are frequently conducted on each campus. These programs include Rave Guardian, Civilian Response to Active Shooter Events (CRASE), Sexual Assault Awareness, and DVIS. Security Systems have been added including motion and alarm sensors and video cameras in strategic areas. Access control points are continuously being developed, and perimeter doors are monitored via video cameras. Campus doors are secured, and most are monitored during non-business hours. This is an ongoing project at each campus meant to control access and provide students and staff greater safety and security. All crime prevention and security awareness programs encourage students and employees to be responsible for their own security and the security of others. Please note: Tulsa Community College does not have officially recognized student organizations that own

or control property; therefore, TCC has no noncampus buildings or property associated with student organizations. If such locations are identified in the future, TCC will request statistics from the local law enforcement agency with jurisdiction and disclose its monitoring practices in this report.

PERSONAL SAFETY

The following precautions provide guidance and helpful tips to help prevent crime on campus:

General Precautions and Crime Prevention Tips:

- Program the TCCPD's phone number into your cell phone. Report any suspicious activity to the Tulsa Community College Police Department immediately.

- Try to avoid walking alone at night. Request an escort from the TCCPD by calling 918-595- 8888.
- Limit your alcohol consumption and leave social functions that get too loud or too crowded, or that have too many people.
- Use lighted walkways and thoroughfares, even if it means going out of your way.
- Carry only small amounts of cash and keep purses, backpacks and money belts close to the body.
- Do not struggle if someone attempts to take your property.
- Never leave valuables (wallets, purses, books, calculators, laptops, etc.) unattended.
- Carry your keys at all times and do not lend them to anyone.
- Lock up bicycles and motorcycles. Lock doors and close windows when leaving your car.
- Remember to lock the doors at your residence. Be sure that your door is locked to your residence when you go to sleep, and keep windows closed and locked when you are not at home.
- Do not leave valuables in your car, especially if they can be easily noticed.

- Engrave serial numbers or owner's recognized numbers, such as a driver's license number, on items of value.

At home or in an apartment building:

- Keep your room door locked when you are sleeping.
- Never let unauthorized persons come into your room or enter apartment security doors. Always ask to see proper identification.

Police Escort Service

- Leave enough room between your car and the one ahead so you can drive around it if necessary.
- Call ahead when driving to your home or apartment late at night and have someone watch you walk from your car to the residence.
- Limit distractions such as cell phones.

While walking or jogging:

- Avoid walking or jogging alone and try not to walk or jog after dark.

OBTAINING INCIDENT REPORTS

To request a copy of a report or ask other related questions, contact the TCCPD at 918-595-8888.

Requests for incident reports or traffic crash reports by persons involved generally will be processed when the investigation is completed. Tulsa Community College faculty, staff, and students are not charged for obtaining report copies when involved in the reported incident.

The TCCPD is committed to complying with its obligations under Oklahoma law without undue delay but realizes that under certain circumstances the release of records may have an impact on victims, witnesses and the integrity of investigations. If an investigation is ongoing and still open, a request for any related TCCPD report may be denied, and information of a personal nature will be withheld or redacted where the public disclosure of such information would constitute an invasion of privacy.

NON-CAMPUS CRIMES

If the Tulsa Police Department, Sand Springs Police Department, Owasso Police Department, Muskogee (Creek) Nation Lighthorse Police Department, Cherokee Nation Marshal Service, Owasso Fire Department, Tulsa Fire Department, Sand Springs Fire Department, Berryhill Fire Department, or the Tulsa County Sheriff's Office are contacted about criminal activity occurring off-campus involving a member of the College community, the Police Department or Sheriff's Office may notify the TCCPD.

TCC does not have officially recognized student organizations that own or control property; therefore, TCC has no non-campus buildings or property associated with student organizations. As a result, local police departments are not used to monitor and record criminal activity at any such locations.

SECURITY OF AND ACCESS TO CAMPUS AND SECURITY CONSIDERATIONS IN THE MAINTENANCE OF CAMPUS FACILITIES

The Metro Campus (909 South Boston Avenue), Northeast Campus (3727 East Apache), Southeast Campus (10300 East 81st Street South) and West Campus (7505 West 41st Street) will be open during regular school hours, Monday through Friday, and from 8:00 a.m. until 4:00 p.m. on Saturday. Deviations to these operational hours will be posted, based upon considerations including public health. Arrangements are to be made by the instructors with their Campus Dean or Academic Dean, if students are to be in the buildings other than these hours, the Campus Dean or Academic Dean should then contact Campus Police and the Director of Physical Facilities.

During normal business hours the administrative and academic facilities at TCC are open and accessible to students, staff, faculty and visitors of the College. After normal business hours and during breaks, these facilities are locked and only accessible to authorized individuals. TCCPD officers conduct routine security and safety patrols of the academic and administrative buildings to monitor conditions and report any unusual circumstances.

Security of Campus

TCCPD conducts routine patrols of campus buildings to evaluate and monitor security related matters. Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. Tulsa Community College Police officers regularly patrol and report malfunctioning lights and other unsafe physical conditions to Physical Plant for correction. Oklahoma Definitions of Domestic Violence, Dating Violence, Sexual Assault and Stalking

State of Oklahoma statutory definitions of criminal offenses differ from those classified pursuant to the Clery Act. These definitions are located at the end of this document in Attachment A – Oklahoma Crime Definitions.

How to Be an Active Bystander

Bystanders play a critical role in the prevention of sexual and relationship violence. They are "individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it."¹ We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list² of some ways to be an active bystander. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

Risk Reduction

TCC's safety and security risk reduction programs include options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims to promote safety and address conditions that help prevent violence on campus (e.g., bystander skills practice, social norms approaches, consent education). These go beyond personal safety tips. Examples include:

- Ongoing safety-related communications sent to the entire TCC community via email, TCC newsletter, and campus presentations to all students, faculty, and staff on a variety of safety related topics, such as:
- 'See Something Say Something' campaign.
- CRASE/Active Shooter Prevention classes conducted by both the TCC Police Department and Emergency Management team members.

- -Stop the Bleed training is provided to employees on an optional and as available basis..
- CPR training is provided to staff and faculty on an as-needed basis. CPR is also provided to students through credit and non credit classes.
- New Student and New Employee orientations include TCC PD and administrative personnel providing safety-related training and resources.
- Area-specific focused risk and safety/security assessments with safety and risk reduction training provided directly to staff and faculty in their respective office and/or work areas.

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following³ are some strategies to reduce one's risk of sexual assault or harassment.

1. **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
2. Try to **avoid isolated areas**. It is more difficult to get help if no one is around.
3. **Walk with purpose**. Even if you don't know where you are going, act like you do.
4. **Trust your instincts**. If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
5. **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
6. **Make sure your cell phone is with you** and charged.

² Bystander intervention strategies adapted from Stanford University's Office of Sexual Assault & Relationship Abuse.

³ Rape, Abuse, & Incest National Network, www.rainn.org

7. **Don't allow yourself to be isolated** with someone you don't trust or someone you don't know.
8. **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.
9. **When you go to a social gathering, go with a group of friends.** Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
10. **Trust your instincts.** If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
11. **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.
12. **Don't accept drinks from people you don't know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
13. **Watch out for your friends, and vice versa.** If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
14. **If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).** Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
 - a. **Remember that being in this situation is not your fault.** You did not do anything wrong; it is the person who is making you uncomfortable that is to blame.
 - b. **Be true to yourself.** Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what makes you feel comfortable.
 - c. **Have a code word with your friends or family** so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
 - d. **Lie.** If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are as follows: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
16. **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
17. **If you and/or the other person have been drinking,** you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

PREVENTION AND EDUCATION PROGRAMS

Programs to Prevent Domestic Violence, Dating Violence, Sexual Assault and Stalking

The College engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault and stalking that:

- A. Are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, or assessed for value, effectiveness, or outcome; and
- B. Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community and societal levels.

Educational programming consists of primary prevention and awareness programs for all incoming students and new employees. Ongoing awareness and prevention campaigns for students include:

- A. Prohibiting the crimes of domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act);
- B. The definitions of domestic violence, dating violence, sexual assault and stalking according to any applicable jurisdictional definitions of these terms;
- C. Behavior and actions that constitute consent, in reference to sexual activity, in the State of Oklahoma. Tulsa Community College uses the following definition of consent to address issues on campus related to Title IX complaints:

Effective Consent: is informed, freely and actively given, using mutually understandable words or actions that indicate a willingness to participate in mutually agreed upon sexual activity. Initiators of sexual activity are responsible for obtaining effective consent.

D. Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and acting to intervene;

Prevention and Education Programming

Tulsa Community College has created the Speak Up Campaign to effectively prevent and respond to gender-based harassment and discrimination, including sexual assault, domestic violence, dating violence, and stalking. This program utilizes the Vector Solutions online course "Sexual Violence Prevention for Non-Traditional Students." This course discusses the finer points of consent, provides an overview of sexual violence, and empowers students to take action to prevent further harm. Using presenter-

PREVENTION (PRIMARY AND ONGOING) AND AWARENESS PROGRAMS

Ongoing campaigns for both students and employees include, at minimum, the same elements required for primary prevention and awareness (prohibition statements, applicable definitions including consent, bystander intervention, and risk reduction as defined above).

These programs include:

- A. The College provided Interpersonal Violence Presentations and tabling events including topics about Safe Dating, Domestic Violence Exhibit, Healthy Relationships and Stalking for all incoming and current students.
- B. A total of 74 students completed the online prevention and education program Not Anymore in 2024.
- C. All TCC employees, full-time or part-time, were required annually to complete Title IX Training.
- D. Provided the “Speak Up” Interpersonal Violence Video in New Student Orientation.

Specifically, the College offered the following prevention and awareness programs for students and employees at the following locations⁵:

PROCEDURES VICTIMS SHOULD FOLLOW IF A CRIME OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING OCCURS

After an incident of sexual assault, the victim should consider seeking medical attention as soon as possible by contacting DVIS, Family Safety Center, or local law enforcement for assistance for a medical and sexual assault forensic exam by a SANE (Sexual Assault Nurse Examiner). These forensic exams are done primarily at Hillcrest Medical Center at 1120 South Utica Ave, Tulsa, OK 74104 in Tulsa County by a Registered Nurse (SANE) who has received special training. In Oklahoma, evidence may be collected even if you chose not to make a report to law enforcement.

A victim can remain anonymous and still have the evidence collected and tested. The victim can choose to create a 'non-report' for law enforcement. This labels evidence with a number that allows the victim the option to later choose to go forward with a prosecution. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 120 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy or sexually transmitted infections.

Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with TCCPD or other law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

Involvement of Law Enforcement and Campus Authorities

Although the College strongly encourages all members of its community to report crimes to law enforcement (including on campus law enforcement or local police), it is the victim's choice whether to make such a report. Furthermore, victims have the right to decline to notify law enforcement. The Office of Civil Rights Compliance will assist any victim with notifying law enforcement if the victim so desires. Tulsa Community College Police Department may be contacted at 918-595-8888 to assist a victim in reporting with their local police agency.

REPORTING INCIDENTS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT AND STALKING

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Title IX Coordinator, Heather Hancock, by completing the Title IX report form at <https://www.tulsacc.edu/reportit>, calling 918-595-7842, emailing TCCTITLEIX@tulsacc.edu, or reporting in-person at 909 South Boston, Room 505. If the victim so desires they may contact TCCPD at 918-595-8888.

Reports of all domestic violence, dating violence, sexual assault and stalking made to TCCPD will automatically be referred to the Title IX Coordinator or Deputy Coordinator for investigation regardless of whether the complainant chooses to pursue criminal charges.

Procedures the College Will Follow When a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking is Reported

The College has procedures in place that serve to be sensitive to victims who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, victim advocacy, and other services on and or off campus as well as additional support to prevent contact between a complainant and respondent,⁶ such as supportive measures, academic accommodations, and protective orders. The College will make supportive measures available, if the complainant requests them and if they are reasonable, regardless of whether the complainant chooses to report the crime to

Campus Police or local law enforcement. Students and employees should contact the Title IX Coordinator for assistance.

Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, the College will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights and options.

If a report of domestic violence, dating violence, sexual assault or stalking is reported to the College, below are the procedures that the College will follow:

Incident Being Reported	Procedure the College Will Follow
Sexual Assault, Stalking, Dating Violence, Domestic Violence	1. Assess immediate safety needs of the complainant. 2. Based on the assessment a. The College will provide the complainant with TCC and Community Resources (see below in the section "TCC and Community Resources and Services") b. Assist complainant with contacting local police if complainant requests AND provide the complainant with contact information for the local police department. c. Provide information to complainant on how to preserve evidence and seek medical care. d. Provide the complainant with a written explanation of the victim's rights and options including how to apply for Protective Order. 3. Report incident to the Title IX Coordinator. a. The Title IX Coordinator will provide a copy of the Title IX policy to the complainant and inform the complainant regarding timeframes for inquiry, investigation and resolution. If the respondent is an employee or student, share with them their rights and the process. b. The Title IX Coordinator will assess the need to implement supportive or long-term protective measures and offer supports as needed including offering the complainant for the college to implement a "Mutual No Contact Order" directive if the college has control of the respondent.

Rights of Victims and the Institution's Responsibilities for Orders of Protection, "No Contact" Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the Institution

At Tulsa Community College a Mutual No Contact Order is a prohibition of direct or indirect physical, verbal, or written contact between two parties. A Mutual No Contact Order is provided by the College, not by law enforcement. A Mutual No Contact Order

⁶The TCC Title IX policy uses the term "complainant" in place of term "victim." It is essential to note that both terms are interchangeable. Title IX defines Complainant as an individual alleged to be the victim of conduct that could constitute sexual harassment.

may be implemented as a supportive measure. Supportive measures can be put in place without a formal complaint, conduct process, or a finding of responsibility. If there is an allegation of violating a Mutual No Contact Order, a new investigation may occur. TCC's Mutual No Contact Orders are available through the TCC Title IX Office.

The College may issue an institutional Mutual No Contact Order if deemed appropriate or at the request of the victim or accused. If the College receives a report that such an institutional Mutual No Contact Order has been violated, the College will initiate disciplinary proceedings appropriate to the status of the respondent (student, employee, etc.) and will impose sanctions if the respondent is found responsible for violating the Mutual No Contact Order.

TCC complies with the State of Oklahoma law in recognizing protective orders. Any person who obtains an order of protection from the State of Oklahoma or any reciprocal state should provide a copy to TCCPD and the Title IX Coordinator. A complainant may then meet with TCCPD to develop a Safety Action Plan, which is a plan for TCCPD and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home, etc. The College cannot apply for a legal order of protection, a Mutual No Contact Order or restraining order for a victim from the applicable jurisdiction(s). The victim is required to apply directly for these services.

TCC AND COMMUNITY RESOURCES AND SERVICES

Sexual violence can be very emotionally disruptive, and it takes time to come to terms with such a significant stress. It is important to be aware that different individuals who you may contact for assistance following an incident may have different responsibilities regarding confidentiality, depending on their position.

Under state law, some individuals can assure the victim of confidentiality, including counselors and certified victims' advocates. In general, however, any other institution employee cannot guarantee complete confidentiality, unless expressly provided by law. As is the case with all colleges and universities, Tulsa Community College must balance the needs of the individual victim with an obligation to protect the safety and well-being of the community at large.

Upon receipt of a report of domestic violence, dating violence, sexual assault, or stalking, TCC will provide written notification to students and employees about existing assistance with or information about obtaining resources and services including counseling, mental health, victim advocacy, and assistance in notifying appropriate local law enforcement. A complainant may request the College not to release directory information. The request must be in writing, signed by the student, and submitted to the Registrar's Office or through email as listed below.

Regardless of whether a victim has opted-out of allowing the College to share "directory information," personally identifiable information about the victim and other necessary parties that is related to the report will be treated as confidential and only shared with persons who have a specific need-to-know, e.g., those who are investigating/ adjudicating the report or those involved in providing support services to the victim, including accommodations and protective measures. By only sharing personally identifiable information with individuals on a need-to-know basis, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such privacy would not impair the ability of the institution to provide the accommodations or protective measures.

PROCEDURES FOR INSTITUTIONAL DISCIPLINARY ACTION

Anticipated Timeline for Investigation and Resolution Process

The College's disciplinary process utilizes the Title IX Policy and includes a prompt, fair, and impartial investigation and resolution process. In all instances, the process will be conducted in a manner that is consistent with the institution's policy and that is transparent to the complainant and the respondent.

Investigations of domestic violence, dating violence, sexual assault and stalking are completed expeditiously, normally within 180 business days depending on the nature, extent, and complexity of the allegations, availability of witnesses, police involvement, etc. The Office of Civil Rights Compliance may extend this time frame for good cause, including College breaks.

After the investigation is complete, the College will make a good faith effort to complete the resolution process within 60-90 business days, including appeal, which can be extended as necessary for appropriate cause by the Title IX Coordinator, who will provide notice and rationale for any extensions or delays to the parties as appropriate, as well as an estimate of how much additional time will be needed to complete the process.

College officials involved in the resolution of a complaint of domestic violence, dating violence, sexual assault and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Furthermore, each party has the following rights:

1. The complainant and the respondent will have timely notice for meetings at which the complainant or respondent, or both, may be present.
2. The complainant, the respondent and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meeting and hearings.
3. The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the complainant or the respondent.
4. The complainant and the respondent will have the same opportunities to have others present during any institutional disciplinary proceeding. The complainant

and the respondent each can have the opportunity to be advised by an advisor of their choice at any stage of the process and to be accompanied by that advisor to any related meeting or proceeding. The College will not limit the choice of advisor or presence for either the complainant or the respondent in any meeting or institutional disciplinary proceeding.

5. The Advisor may be a friend, mentor, family member, attorney, or any other individual a party chooses to advise, support, or consult with them throughout the resolution process. The parties may choose Advisors from inside or outside of the College community.
6. The complainant and the respondent will be notified simultaneously, in writing, of the final decision of any disciplinary proceeding.
7. Where an appeal is permitted under the applicable policy, the complainant and the respondent will be notified simultaneously in writing, of the procedures for the respondent and the complainant to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the complainant and the respondent will be notified simultaneously in writing of any change to the result prior to the time that it becomes final as well as of the result once the appeal is resolved.

Types of Disciplinary Proceedings Utilized in Cases of Alleged Domestic Violence, Dating Violence, Sexual Assault and Stalking

Tulsa Community College utilizes the Title IX policy to respond to any formal complaints of domestic violence, dating violence, sexual assault or stalking.

How to File a Formal Complaint Under this Policy

A person who, at the time of the filing, is participating in or attempting to participate in the education program or activity of the College may file a formal complaint in-person, by mail, by telephone, or by email, using the contact information listed for the Compliance Officer/Title IX Coordinator. The formal complaint must be signed by the complainant and may be made at any time, including during non-business hours, at 918-595-7842 or www.tulsacc.edu/reportit. For more information about the Title IX policy, visit www.tulsacc.edu/titleix.

How the College Responds if the Formal Complaint is Required to be Dismissed⁸ and which Policy will be Used

If a formal complaint is dismissed according to the Title IX regulations, which are reflected in the Title IX policy, the College will assess if the Discrimination and Harassment policy will be used to respond to an allegation of domestic violence, dating violence, sexual assault or stalking. For more information about the Discrimination and Harassment Policy, www.tulsacc.edu/titleix.

Steps in the Disciplinary Process

All investigations are thorough, reliable, impartial, prompt, and fair. Investigations involve interviews with all relevant parties and witnesses; obtaining available, relevant evidence; and identifying sources of expert information, as necessary.

All parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence and expert witnesses, and to fully review and respond to all evidence on the record.

The Investigator(s) typically take(s) the following steps, if not already completed (not necessarily in this order):

- Determine the identity and contact information of the complainant.
- In coordination with campus partners (e.g., the Title IX Coordinator), initiate or assist with any necessary supportive measures.
- Identify all policies implicated by the alleged misconduct and notify the complainant and respondent of all the specific policies implicated.
- Conduct a prompt initial assessment to determine if the allegations indicate a potential policy violation.
- Begin a thorough, reliable, and impartial investigation by identifying issues and developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for all witnesses and the parties.
- Meet with the complainant to finalize their interview/statement, if necessary.

- Prepare the initial Notice of Investigation and Allegation (NOIA).
- Notice should inform the parties of their right to have the assistance of an Advisor of their choosing present for all meetings attended by the party.
- Make good faith efforts to notify the parties of any meeting or interview involving the other party, in advance when possible.
- When participation of a party is expected, provide that party with written notice of the date, time, and location of the meeting, as well as the expected participants and purpose.
- Interview all available, relevant witnesses and conduct follow-up interviews as necessary.
- Allow each party the opportunity to suggest witnesses and questions they wish the Investigator to ask of the other party and witnesses, and document in the report which questions were asked, with a rationale for any changes or omissions.
- Complete the investigation promptly and without unreasonable deviation from the intended timeline.
- Provide regular status updates to the parties throughout the investigation.
- Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) with a list of witnesses whose information will be used to render a finding.
- Write a final investigation report fully summarizing the investigation, all witness interviews, and addressing all relevant evidence. Appendices including relevant physical or documentary evidence will be included.
- Gather, assess, and synthesize evidence, but make no conclusions, engage in no policy analysis, and render no recommendations as part of their report.
- Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) a secured electronic or hard copy of the draft investigation report as well as an opportunity to inspect

⁸These dismissal requirements are mandated by the 2020 Title IX Regulations, 34 CFR Part 106.45 and are reflected in the Mandatory and Discretionary Dismissal section of the College's Title IX policy.

and review all of the evidence obtained as part of the investigation that is directly related to the reported misconduct, including evidence upon which the College does not intend to rely in reaching a determination, for a ten (10) business day review and comment period so that each party may meaningfully respond to the evidence. The parties may elect to waive the full ten days.

Complainant

- The Investigator may elect to respond in writing in the investigation report to the parties' submitted responses or to share the responses between the parties for additional responses.
- The Investigator will incorporate relevant elements of the parties' written responses into the final investigation report, include any additional relevant evidence, make any necessary revisions, and finalize the report. The Investigator should document all rationales for any changes made after the review and comment period.
- The Investigator shares the report with the Title IX Coordinator for their review and feedback.

The panel uses, a simple majority vote to determine the finding. The evidentiary standard used is the preponderance of the evidence. The Title IX Coordinator may be invited to attend the deliberation by the Decision-maker, but is there only to facilitate procedurally, not to address the substance of the allegations.

Supportive Measures for the Complainant and Respondent

Non-disciplinary, non-punitive individualized services offered in writing, as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the College's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the College's educational environment, or deter sexual harassment.

The Title IX Coordinator promptly makes supportive measures available to the parties upon receiving a report or a Formal Complaint. At the time that supportive measures are offered, the College will inform the complainant, in writing, that they may file a formal complaint with the College either at that time or in the future, if they have not done so already. The Title IX Coordinator works with the complainant to ensure that their wishes are considered with respect to the supportive measures that are planned and implemented.

The College completes publicly available record-keeping, including Clery reporting and disclosures, without personally identifying information about victims. Information about accommodations and protective measures is maintained as confidential to the extent that doing so would not impair TCC's ability to provide them. In addition, TCC will act to ensure as minimal an academic impact on the parties involved, and will implement measures in a way that does not unreasonably burden the other party.

Supportive measures are available to a complainant, irrespective of whether the complainant files a formal complaint.

The College may take steps to provide supportive measures to limit the effects of the alleged discrimination and harassment. Supportive Measures may include, but are not limited to:

- Academic Accommodations;
- Administrative Leave with or without Pay;
- Class Reassignment, withdrawals, or modifications;
- Employment Reassignment;
- Increased security and monitoring of certain areas of campus;
- Interim Leave from the College;
- Limitation of College Activities;
- Mutual No Contact Order;
- Parking Arrangements;

- Referral to Employee Assistance Program;
- Referral to TCC and local community counseling services;
- Safety Escorts to class or employment location;
- Safety planning;
- Student financial aid counseling;
- Visa and immigration assistance; and
- Other reasonable requests as necessary.

Supportive measures may be implemented at any time, even if the complainant originally declined. Violations of a Mutual No Contact Order will be referred to the appropriate policy for enforcement.

The Title IX Coordinator or their designee will determine whether supportive measures should be implemented, and, if so, take steps to implement those action items as soon as possible. These supportive measures can be applied to one, both, or multiple parties involved. Violations of the Title IX Coordinator's directives or supportive measures will constitute related violations that may lead to additional disciplinary action. Supportive measures imposed may be temporary pending the results of an investigation or may become permanent as determined by the outcome of the disciplinary process.

RETALIATION

The College or other person may not intimidate, threaten, coerce, or discriminate against any individual to interfere with any right or privilege secured by Title IX or this part or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this part.

Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment but arise out of the same facts or circumstances as a report or complaint of sex discrimination or a report or formal complaint of sexual harassment,

to interfere with any right or privilege secured by Title IX or this part, constitutes retaliation.

Charging an individual with a violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy and procedure does not constitute retaliation, provided that a determination regarding responsibility alone is not sufficient to conclude that any party has made a materially false statement in bad faith. The exercise of rights protected under the First Amendment does not constitute retaliation.

MISSING PERSONS POLICIES AND PROCEDURES

While Tulsa Community College does not maintain on-campus housing facilities, or have students residing in on-campus housing, the College is interested and wishes to ensure the safety of its students.

After contacting local law enforcement authorities, individuals should report that a student has been missing 24 hours to TCCPD who will work with the Vice President for Student Success & Chief Student Affairs Officer and appropriate faculty. TCCPD will follow up with local law enforcement authorities immediately after a missing student report has been received. TCCPD will determine if the student's emergency contact has been contacted and will report its findings to the Vice President for Student Success & Chief Student Affairs Officer. Each student will have the option to register a confidential contact person to be notified in the case that the student is determined to be missing that only authorized campus officials and law enforcement officers in furtherance of a missing person investigation may have access to this information. Missing student reports will be referred immediately to local law enforcement even if the student did not register a contact person. Parents of students fewer than 18 years of age and not emancipated will be advised. This requirement does not preclude implementing these procedures in less than 24 hours if circumstances warrant a faster implementation.

ANNUAL FIRE SAFETY REPORT

Currently Tulsa Community College does not have student housing or associated facilities that provide housing. Therefore, no Annual Fire Safety Report is required by federal law.
