

## Cardiovascular Technology, A.A.S. Estimated Cost of Program

The following costs are not an all-inclusive list. The costs listed are only an **estimation** and do not take into consideration:

- Increases/decreases in tuition and fees
- Increases/decreases in textbook and supply costs
- Increases/decreases in fees associated with vaccinations/examinations
- Transportation/Vehicle Maintenance/Fuel/Auto Insurance
- Living expenses
- Other individual financial obligations.

It should be noted that some of the costs listed are incurred prior to the official start of the year/semester. It is highly recommended that you have a financial plan in place before you are accepted into the Program as these costs are mandatory unless noted otherwise.

### Tuition and Fees Notice:

Tuition and Fees for the Academic Year are not approved until July 1 of each year and are subject to change. Fee amounts are approved by the State Regents for Higher Education and may be changed by direction of the State Regents. Payment arrangements are required for tuition and fees at time of enrollment.

**CVT Program Approximate TOTAL: \$ 11,170.28**

This Estimated Cost includes a variety of expenses related to the completion of the Cardiovascular Technology A.A.S Degree Program. Courses are determined using the current program map found on the TCC website. Tuition is calculated using In-State rates. Books are calculated using the suggested retail price. All other costs are listed at estimate/average rates.

***This information is subject to change. Final costs may vary.***
