**Tulsa Community College
2025-2026 Exit Survey Report**

August 20, 2026

Executive Summary

Each academic year an Exit Survey is offered to all students applying to receive a certificate or degree from Tulsa Community College. The purpose of this report is to present the summary findings of the 2025-2026 Exit Survey, including the general demographics of respondents.

The Exit Survey (Appendix A) is designed to shed light on the following questions:

- To what extent do students feel their experience at TCC contributed to their development of broad learning skills, analytical skills, interpersonal/relationship skills, and goal setting?
- How satisfied were students with the educational services and the interpersonal interactions they experienced at TCC?
- What were students' goals for attending TCC and did they accomplish them?
- How do students rate their TCC experience compared to other institutions?
- What are students' plans for future education and employment after graduation?

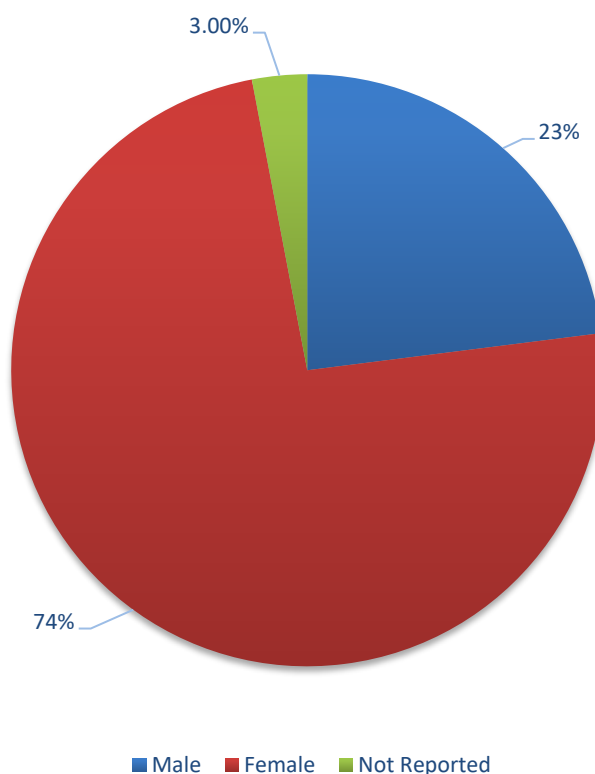

During the 2025-2026 academic year (Summer 2025, Fall 2025, Spring 2026), 3,367 certificates and degrees were conferred to 2,799 individual students. All program graduates were offered the survey link as part of the graduate application process. A total of 955 individuals completed the survey, for a response rate of 34%.

The following points are a summary of the major findings from this survey.

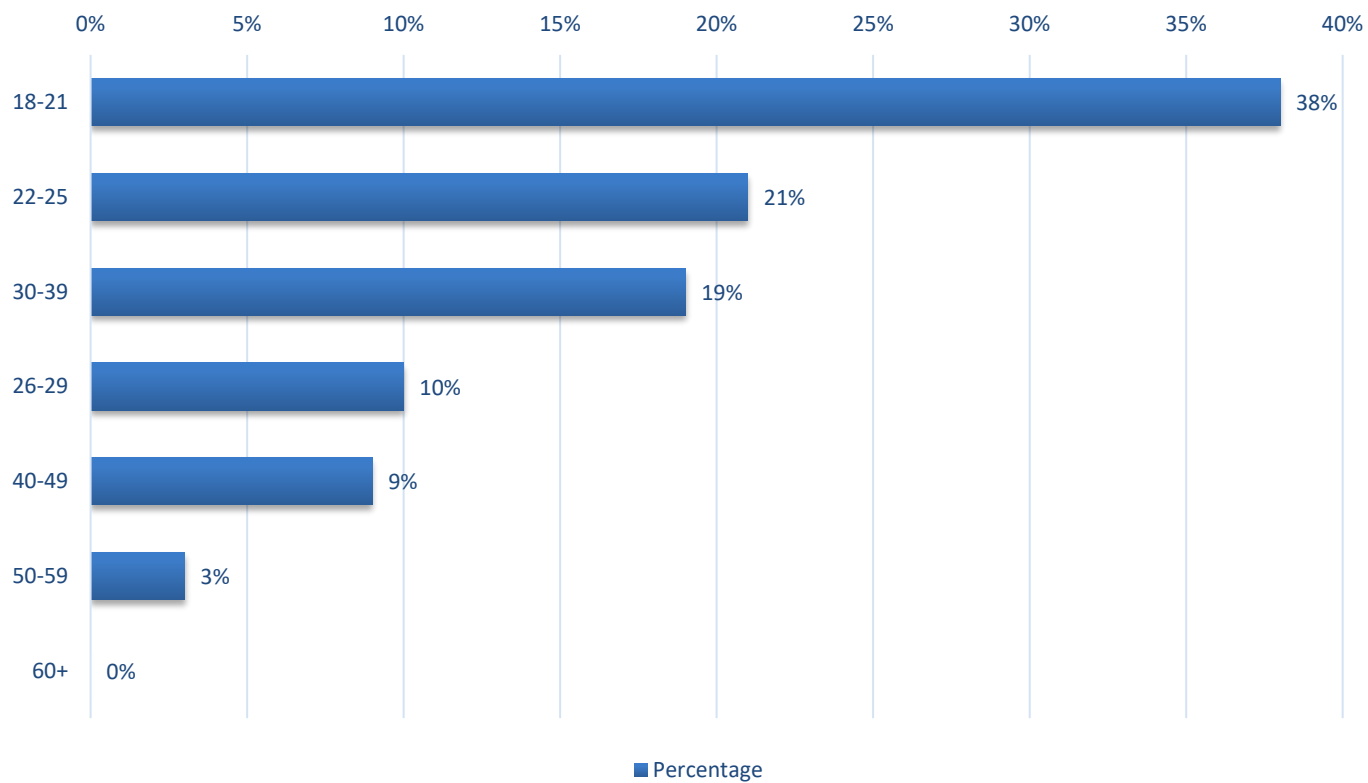

- The majority of respondents (63%) believe the instruction they received in major courses was high quality.
- 57% of respondents strongly agreed to the statement "I was able to get involved with organization(s) or event(s) that were of interest to me."
- The majority of students (62%) strongly agreed they learned about different cultures, ideas, and/or types of diversity.
- The top educational goals set for attending TCC were to earn a degree or certificate, transfer to a 4-year college/university, and prepare for getting a job (89%, 52%, and 29%, respectively). 78% of students indicated they had accomplished their goal(s) for attending TCC.
- Of students who indicated they had attended another institution, 25% believed TCC was better than other institutions they had attended. 23% believed TCC was about the same.
- The majority of respondents (98%) indicated that if they were to start college over again, they would probably or definitely enroll at TCC.
- Of all respondents, 58% of students indicated they would be transferring to a 4-year institution.
- 36% of students indicated they would begin or continue in a job related to their degree or certificate.
