OKLAHOMA VIOLENT OFFENDER REGISTRATION ACT: 57 OS 593

The Oklahoma Legislature finds that habitual violent crime offenders pose a high risk of re-offending after release from custody. The Legislature further finds that the privacy interest of persons adjudicated guilty of these crimes is less important than the state's interest in public safety. The Legislature additionally finds that a system of registration will permit law enforcement officials to identify and alert the public when necessary for protecting public safety.

In accordance with the Oklahoma Violent Offender Registration Act, convicted violent offenders are required under 57 OS 593 to register with the Tulsa Community College Campus Police within three days of becoming a full or part time student, or a full or part time employee. The offender must update this report within three days of any change in status. **Registering** with the Tulsa Community College Campus Police does not satisfy the offender's responsibility to register with the law enforcement agency having jurisdiction over the offender's residence.

I have been advised of my responsibilities to register and to keep the information on this form updated.

4. Inform the offender that if the offender participates in any full-time or part-time employment, in another state, with or without compensation for more than fourteen (14) days or an aggregate period exceeding thirty (30) days in a calendar year, the offender shall register as a violent crime offender in that state, if the state has a registration requirement;
